No. EIB 08-19(R)

**ENTRY OF APPEARANCE OF
VAWTPower Management, Inc.**

Pursuant to Rule 20.1.1.303 VAWTPower Management, Inc. hereby enters its appearance in this proceeding. In support thereof VAWTPower Management, Inc. states the following:

1. VAWTPower Management, Inc. is a Sandoval County, New Mexico based company, was founded in 1996 and is a vertical axis wind turbine manufacturing and installation company.

2. New Mexico faces a formidable generation-long challenge: to transform the economy from being driven primarily by fossil fuel sources of energy, which are the major cause of global climate change, to becoming an economy that can function effectively through renewable energy sources and by achieving high levels of energy efficiency. Wind technology is adaptable and versatile and can be one of the most cost-competitive renewable energy technologies.

3. Consistent with prudent environmental sensitivity, in order to retain and grow the jobs and associated economic benefits of a robust wind energy industry and to promote

expansion of this industry, VAWTPower Management, Inc. endorses the Petition.

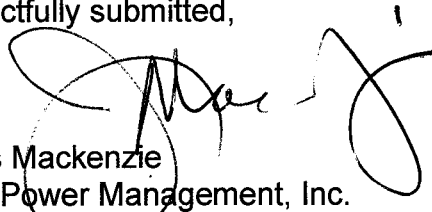

4. VAWTPower Management, Inc. should be served with copies of all pleadings and other documents filed in this proceeding by any participant. Service should be provided via email to:

James Mackenzie

WHEREFORE, for the foregoing reasons, VAWTPower Management, Inc. enters its appearance in this proceeding.

Respectfully submitted,
